Please note that the Takaful Operator will continue to deduct the Tabarru' on the basic and its riders (if any) on monthly basis, the total account value(TAV) will be exhausted eventually if it is not replenished by allocation from contributions due and payable under the certificate. You may opt to reduce the coverage or cancel the attaching benefits, if any. You may also surrender the certificate as an option but not recommended as by doing so your certificate will be terminated and you will only receive the TAV which is much less than the contributions paid.

Sila ambil perhatian bahawa Pengendali Takaful akan terus menolak Tabarru' bagi pelan asas dan rider (jika ada) secara bulanan, jumlah nilai akaun (TAV) akan susut jika tidak menerima peruntukan daripada caruman yang perlu dan hendaklah dibayar di bawah sijil. Anda boleh memilih untuk mengurangkan perlindungan atau membatalkan manfaat yang dilampirkan, jika ada. Anda juga mempunyai pilihan untuk menyerahkan sijil namun ia tidak digalakkan kerana ia menyebabkan sijil ditamatkan dan anda hanya menerima TAV yang kurang daripada caruman yang telah dibayar.
